

Child: Kai, Grade 3

Basia is an immigrant settler on the unceded territories of the Musqueam, Squamish and Tsleil-Waututh Nations. They joined the Board of Directors in 2021 and currently serve as Chair, and sit on the Head Support, Governance, Finance, and Marketing Committees.

Basia has a background in research, evaluation, and public policy. With a Ph.D. in Population and Public Health, Basia has led and published research centered on improving outcomes of equity-deserving groups across health and social sectors. Passionate about collaborative and community-oriented approaches to evidence and decision-making, she currently works as Lead for Evaluation at Ffoundry, a province-wide network of integrated health and wellness services for young people in BC. Basia is a proud parent of son Kai, who has attended Madrona since kindergarten.
